

Good News

Together, we seek to know Christ and make him known.

From the Rector

*"Faith is not belief unexamined,
but belief born of deep thoughts,
shaped by reason, guided by experience,
given substance by the listening of the curious intellect
to voices diverse and ideas divergent.
Religion is not the captive of automated hearts
set to march in silent obedience,
not the museum of final thoughts
beyond which no questions may be asked
it is the forum of the wise and wonderful,
the company of the healed and healers,
the choir of human imagination,
the blessed company of God
gathered in the clear light
of the open mind."*

Episcopal Bishop of Alaska, retired

Lent is a time to intentionally explore our faith lives, individually and as the community of St. Andrew. Abstinence from particular pleasures can remind us, in small ways, of Jesus' suffering and bring us closer to him. Similarly, resolving to incorporate positive practices of self-care and services towards others into our daily lives can remind us that we, and everyone we meet, is beloved of God. How do you plan to seek out Jesus Christ during the upcoming Lenten season? Open your mind and heart, pray about it, and exercise your imagination. Love will find a way. The beginning is near! Lisa+

Lenten Supper Study :

TAKE ON

Hazardous Saints

In years past it was often the norm for Christians to "give up" something they liked during the Lenten season, be it coffee, candy or some luxury to demonstrate their piety. But Lent is also a time to enhance and examine our spiritual disciplines and one of the best ways to do that is by "taking on" a service, task or discipline that will bring you closer to God. This year at St. Andrew, we are offering you a chance to "take on" the Hazardous Saints Lenten study. Journey with fellow parishioners through the forty days of Lent with a weekly shared meal and a DVD study that explores the lives of Saints who risked all for the sake of the gospel. Like Jesus, each of the featured leaders were change agents in their times. Learn about Barnabas, Francis of Assisi, Thomas Cranmer, Sojourner Truth, Dorothy Day and Oscar Romero. Meeting dates are on Tuesdays, March 5th through April 9th. A simple meal will start at 6:15 PM followed by viewing the DVD and discussion at 6:45 PM ending at 7:45 PM. *On March 5th come to the Shrove Tuesday Pancake Supper and then watch the video.* A sign up sheet is on the Narthex bulletin board. Sign up and "take on."

Can You Help?

Our own Pam Cushman is now a resident of Heartland of Mentor and is in need of a mini fridge. If you have one that you are not using, please contact Rev. Lisa to make arrangements to get it to Pam. Also, if you have any spare yarn around the house, Pam could use that too. She keeps herself busy by making beautiful full-size afghans and baby blankets. She's quite talented!

Lenten Project

The women of St. Andrew have partnered with Project Hope for the Homeless for **Project Dignity**, a Lenten outreach the whole parish can help with. We'll collect feminine hygiene products to aid the homeless from Sunday, March 3rd through Sunday, April 28th. Lack of period products is a hidden consequence of homelessness and robs women of their dignity. We will collect these products for Project Hope to distribute. A drop-off box is available in the Narthex. Please generously donate and let others know about this important project on your twitter, facebook and instagram accounts. Together we can make a difference!

Annual Meeting - Be the Light of Christ

It was a stormy Sunday for our Annual Meeting on February 24th, but despite the soaking rain, howling winds and banging roof flashing, we had a wonderful gathering celebrating our past year. We looked at the many ways we have spread the light of Christ in our community. After a delicious potluck, the meeting included reports on various ministries and the election of new Vestry members. Of course, it might have been a bit too long for our youngest St. Andrew member!
